Samaritan Center of Syracuse No One Goes Hungry

When we think of the Samaritan Center, we think of the many meals they supply in our community. But the Samaritan Center provide much more for our community in need. Paired with these meals is the case management support and access to services that help their guests move on to a more positive future. Their guests include both the young and the not so young, those who are well educated and those who are not, individuals and families, people whose lives are bound by the prison of substance abuse, people who are well and those who face the challenge of illness. Men, women and children who have in common their humanity, their poverty and their sincere gratitude for a place of safety and warmth and a nutritious meal offered every day of the year. Here at St. Patrick's and St. Brigid's we will be collecting toiletries such as razors, body wash, deodorant, band aids, chapstick, toilet paper, shampoo, tissues, hair brushes, sunscreen, and soap. There are 3 green tubs in the vestibule of church. One at each door. please leave your donations in the tubs. Thank you for your generosity

Third Sunday of Easter

A Family Perspective by Bud Ozar Third Sunday of Easter

The apostles were afraid of Jesus until he ate with them and they touched him. In your family, the ordinary acts of eating together, touching, embracing not only confirm our love for each other, but also celebrate God's presence in your family. These "ordinary" moments contain the "Extraordinary."

BAPTISM: Usually scheduled for Sunday during or after Mass. Parents should first contact the pastor for an appointment and also plan on attending one session of our Baptismal Preparation Program, which explains the significance of the sacrament and each part of the Baptismal rite. Many parents may find it more convenient to attend this session during pregnancy rather than after the birth of their child. We rejoice with joy in your happiness!

MARRIAGE: Congratulations! We want to do everything we can to make this day special for you. Couples should be members of the parish and make an appointment with the pastor at least six months before the desired date of the wedding. Participation in some form of Pre-Cana conference is necessary.

HOSPITAL: Please notify us if you or a member of your family enters the hospital so that they will be able to receive the healing Sacraments of Anointing of the Sick and the Eucharist.

HOMEBOUND: There may be times when you may not be able to get to Mass because of illness or the weather. If this is the case, please let us know so that we will be able to bring you Communion. Also, if you know of anyone who is permanently homebound, please let us know so that we will be able to schedule frequent Communion visitations.

NEW PARISHIONERS: Welcome to our community!
Please register at the rectory as soon as possible

What is the proper way to carry the Holy Eucharist

If you are bringing Communion to the homebound or to a loved one, you need to use sacred vessel known as a pyx. A pyx is the small round metal case (usually gold-plated) used to carry a few hosts. Other containers such as cloth or tissue paper should not be used. You can borrow a pyx from Church at anytime. Please see either Fr. Kevin or Michael before or after Mass. If you have borrowed a pyx in the past and are no longer in need of it's use, please return it so others will be able to use it.

As you know, it is a great privilege to serve as a minister in the church. We always welcome new ministers. If you would like to be trained to serve as an altar server, lector, or Eucharistic Minister, we welcome and encourage you to do so. Please contact the rectory for more information
