From the desk of Deacon Tony:

Some information pertaining to liturgies at St. Charles-St. Ann

To our Lectors: Please note that we will now be using the Ambo in the sanctuary to proclaim the readings. We will no longer be using the lectern in the choir section.

In Regard to Communion: The Church's norm, as you know, for receiving Communion is to process up to the front of the church. If you are unable to walk to the front, a Eucharistic minister will now come to the benches in the back to bring you Holy Communion.

To our Altar Servers: At the end of August, I will start training new servers (those who have made First Eucharist and anyone older, too), and Katie Boyea will put together a formal schedule in September 2021. Fr. Kevin and I can't wait to have you all back serving again!!!!

Respect Life

New bill aimed to codify Roe V. Wade was introduced in both the U.S. House and Senate on June 8. Titled The Women's Health Protection Act, the bill would "invalidate most previously enacted federal limits on abortion." stated National Right to Life, as well as "prohibit states from adopting new protective laws in the future," said Jennifer Popik, the organization's director of federal legislation.. The bill currently has 48 co-sponsors in the Senate and 176 in the House, all of whom are Democrats. Carol Tobias, president of National Right to Life, said the tragedy is that "the only ones to benefit from such a law would be abortionists and abortion providers." Rather than supporting the bill, may legislators be moved to publicly acknowledge the dignity of every human being, especially those most vulnerable.

LIVE THE LITURGY

INSPIRATION FOR THE WEEK

Are we willing to be taught by God? If we are, then we will begin to see things and make judgments using a Divine lens. Often, we perceive things with purely human eyes and reference points. When we do this, reality can lose its Divine spark and we miss what God is trying to say. When using human eyes exclusively, Jesus is at best perceived simply as a prophet who has some wise things to say. The human element has a difficult time seeing Jesus' divinity and recognizing him as the Bread of Life that comes down from heaven. We can easily get stuck on Jesus' human associations and overlook the marvelous wonders God wants us to see. If we really allow ourselves to be taught by God, we will then come to see the truth about Jesus and the abundant everlasting life God offers. Jesus becomes the key that unlocks all of our relationships: with God, others, ourselves, and creation. He, as the true and lasting bread from heaven, shows us the gifts of faith, hope, and love that God bestows on us. Through this divine lens we see that all life sparkles and glows with God's love.

The lighter side.....

No Pushing

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Bible class. As she ran, she prayed, "Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!" As she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself off, and started running again. As she ran, she once again began to pray, "Dear Lord, please don't let me be late ... But please don't shove me either!"

Nineteenth Sunday in Ordinary Time

Dear God,

Today I woke up. I am healthy.

***I am alive. Thank you. I apologize for
all my complaining. I'm truly grateful
for all you've done.***

Amen

Family Perspective

***"Stop murmuring" Jesus told the disciples
in today's gospel. Complaining is a
dead-end and constant complaining is
nagging. We might feel better but oth-
ers feel bitter. Silence or grumbling will not
resolve the problem.***

***Address differences honestly
and respectfully.***

***Do not make them
personal attacks.***
