Ahiara Diocese: Ahiara Catholic Diocese is one of the most rural dioceses in Nigeria. It is one of the Southern poorest areas of the nation. There the government does not help to provide the people with the basic necessities of life and the people have no body to speak for them except the Bishop/priests and the Church. In this area, there is **no good food provision, no good water, no electricity. No hospitals and no health care provision of any kind.** Many people die in this community every day due to preventable and curable diseases.

Nigeria: The Super- Power of Africa with population close to three million people is seen today as one of the most dangerous and most corrupt nation of the world.

There is a great divide in Nigeria between the North and the South. The Northern- Muslims have controlled the political power of the nation all the years. The Southern- Christian Communities have suffered greatly from the Islamic leadership of Nigeria since her Independence in 1960.

Boko Haram and **Fulani Herdsmen** are some of the blood-thirsty Islamic extremists in Nigeria that go about killing the Christians. This situation brings poverty, hunger and bitterness in the life of every Christian faithful and their families. There is a high rate of insecurity every moment.

Boko Haram is a movement that sees Western Education and women's education as evil and forbidden. This situation is worsened by **COVID-19 Pandemic**, which the government does nothing about.

New York State: The communities in the Central New York area are helping to support the Christian faithful of Ahiara with cash and kind donations to improve their living conditions. The goal for this year's Mission Appeal is to help fight hunger and to help the people of Ahiara to build a clinic in order to help reduce the rate of mortality in the community.

Please, help us to help the people of Ahiara. No gift is too small for this project. There will be a second collection this weekend.

Check to: Catholic Diocese of Ahiara.

Twenty-First Sunday in Ordinary Time

Dear God,

*I pray today to ask you for wisdom. Not just knowledge,
but true understanding, insight, and truth.*

*I pray for my heart to long for wise
answers to my problems, not just convenient ones.*

Help me to put the wisdom in action.

Amen

Family Perspective

*Even though many found the teaching of Jesus
"difficult", he did not back down.*

*In our families, it is important to say what is
difficult to hear, to speak the truth with kindness, to
correct with love and guide with understanding.*

by Bud Ozar

Respect Life

The Born Alive Abortion Survivors Protection Act requires doctors to provide the same standard of care to a child born after an attempted abortion that would be provided to a child born at the same gestational age under other circumstances.

An unwanted child is not inhuman. This bill is about treating all newborns as patients under standard medical practice. It is not about ending abortion. It is about prohibiting infanticide.

It is our wish to resume in person Faith Formation this fall.

We will be in need of catechists for grades 1-7. We have been blessed with a catechist for both first and second grades!!

If you have an interest in sharing your faith journey and your talents with our students, we would love to speak with you. All applications will be considered.

Please call the parish office at St. Patrick and St. Brigid's at 315-475-2185 or

St. Charles-St. Ann at 315-468-1803

We need you!!!

LIVE THE LITURGY

Inspiration for the week

Many people give their allegiance to something until it asks them to do something challenging or radical. Then, they find themselves rethinking whether they want to be associated with it. The same holds for God. Either we serve God, or we don't. There can be no lukewarm stance with regard to faith. If we are in, then faith in Jesus Christ asks us to do some difficult things: work in service of God's kingdom, love our enemies, offer no resistance to injury, and trust that the Eucharist is in fact Jesus' very Body and Blood. For some, buying into these things may prove too difficult and a return to a life without them is preferred. But truth is truth and it can only be found in God. If we find it hard to accept it from the mouth of Christ, where else can we go to find it? The task before us is to commit to the truth even when it may be easier to pursue something else. Truth is always worth obtaining even when it is difficult. Jesus offers us the truth of life, a life that is found in his own flesh and blood and a life of discipleship.
