*"Instead of being just a church that welcomes and receives by keeping the doors open, let us try also to be a church that finds new roads, that is able to step outside itself and go to those who do not attend Mass, to those who have quit or are indifferent." — Pope Francis*

Many of us think of the Rite of Christian Initiation (RCIA) as a way to bring non-Catholics into the fullness of our faith. That's true...to a point. But it's also the way to bring back those who have chosen for one reason or another not to join us in living out their lives in the fullness of the Catholic faith which they received at Baptism. It's also for adults who might have made their First Communion, but have not yet received the Sacrament of Confirmation.

Beginning Oct. 17<sup>th</sup>, we will be holding Inquiry sessions at St. Charles Church @ 9:15AM. These are informal "Come and See" opportunities for those of different or no faiths, who might be interested in learning more about becoming Catholic, or for those who have drifted away and now feel the call to "come home." If you or someone you know fits one of these descriptions, please consider coming, or inviting them to attend these sessions...and even accompanying them!

Sessions will be held on Oct. 17, 24, and 31. The RCIA Team and our Parish Community looks forward to finding new roads together ...because to quote Pope Francis again: "Faith is only worth having when you give it away."

## Respect Life

### Attacking pregnancy resource centers

Pregnancy resource centers give love and life saving aid to women in need and to their babies. Having that support convinces some women not to have abortions.

Radical legislators are proposing a "commission" a witch hunt, actually, that will find that pregnancy resource centers don't have as much medical equipment and staff on site as abortion facilities do, so the next step will be to try to shut the pro-life centers down. They've tried this tactic in other states, which puts the lie to the idea that it is a woman's choice. These women who are choosing life for their babies will be harmed.
